**CREE TRAPPERS' ASSOCIATION**  
**ANNUAL GENERAL ASSEMBLY RESOLUTION 263/10**

**SUBJECT: Harvesting of commercial biological/non timber materials**

The members of the Cree Trappers Association having met in Waswanipi, this 26<sup>th</sup>, day of August 2010

**Proposed By:**

Edward Georgekish

**WHEREAS;** the members of the Cree Trappers Association are concerned about the harvesting of commercial biological/non timber materials found on the trap lines.

**Seconded By:**

Paul Dixon

**RESOLVED:**

**THAT,** the members of the CTA General Assembly advise the CRA/GCCEI of their concerns.

**THAT,** the Cree Health Board be informed about this resolution.

**THAT,** the CTA and the tallymen monitor this harvesting activity.

**THAT,** the tallyman's rights be respected and honoured.

**THAT,** the harvesters must have the tallyman's consent and work with the concerned tallyman and other users of the trapline.

**THAT,** Board of Director of each community is directed to do all things necessary to implement the above.

**ACTION:**

Carried  
1 abstention

A Certified copy of a resolution adopted on August 26, 2010.
