

Cree Mineral Exploration Board

# Cree Mining Development

# Cree Mineral Exploration Board

- ▣ Not for profit Cree entity
- ▣ Working under Cree Nation Government
- ▣ Board of Directors composed of 4 Cree representatives and one representative identified by the Government of Québec
- ▣ The CMEB relies on the services of a Chief Geologist and a Geologist

# Program

- Encourage mining development in Eeyou Istchee
- Geological knowledge of the land (mapping/prospecting)
- Individual Prospector
- Cree Exploration company, 75% fund by CMEB
- Encourage of joint venture Cree and non-Cree
- Training
- Geological Expertise
- Geosciences and school fairs
- Facilitate access to the territories by the exploration
- act as an entry mechanism for services offers and collaboration and as Intermediate between the Exploration companies, Prospectors , academic institutions and the Crees.
- Three Annual Reports, Several Prospectors reports and CMEB trainings reports.

# Training and Employment assistance

# CMEB Individual Prospector Program

- \* Promote mostly surface prospecting by individuals
- \* Increase the reconnaissance level of Eeyou Istchee
- \* Cover the largest amount of ground, or cover intensively selected areas for surface exploration

Funding provided by the CMEB up to a maximum of \$30,000/project

# CMEB Entrepreneur's Assistance Program

- \* Finance exploration projects carried out by Cree exploration companies up to 75K\$ per project.
- \* Finance exploration projects carried out through partnership or joint ventures between mineral exploration companies and Cree exploration companies;
- \* Promote the creation of Cree public mineral exploration companies

# Native Exploration Services

*Ouje-Bougoumou,*  
Sam Bosum

Mineral Exploration Company

Mining - exploration services: Line cutting, staking,  
geological and geophysics & Training.

Made its reputation on excellence & experience -  
geophysical methods in exploration.

CMEB invests in Native Exp&believes in its Potential

# J.A. MacLeod Exploration *Mistissini* Pres. Jim Macleod

**Training** for natives and non-natives -exploration of properties with potential for eventual mines.

**Joint ventures and partnership** with Companies, Virginia, Soquem and Eastmain Resources etc., In Eeyou Istchee to explore for Basic metals and minerals. The company is implicated in several projects in environment , services and impact studies.

*Nimsken Corporation Inc*  
Ouje-Bougoumou Band  
Ouje-Bougoumou  
Pres. Chief Curtis Bosum

Junior exploration company

**Exploration** of new properties. Concentrate on **basic metals and gold** & evaluation of mining properties.

Joint ventures **SOQEM**.

Nimsken undertakes exploration to the final stages.

It's one of the most emerging Cree mining companies.

CMEB invests in Nimsken Corp. invest projects .

# Wemindji Exploration (WEMEX)

*Wemindji Band*

Pres. Tony Gull

**Develop the mineral potential** of Wemindji area and create a skilled **workforce** in mining exploration.

WEMEX Joint Ventures Dianor Mine Exploration and Virginia...

Work on it own land and high potential properties

Provide services as line cutting, sampling, scorecard, transportation and equipment.

# Establishment of a Cree Mining Investment Fund

The fund would consist in a sufficient capital base to invest in the equity of promising and profitable mining companies active on Eeyou Istchee;

Develop the participation of Cree businesses and promote Cree employment in the mining sector;

Such a fund would allow the Crees to become important actors and partners in the mining sector of Eeyou Istchee.

Recuperation of capital and return on investment
