Ville d'Amos

Public services available in Amos

The City of Amos has given itself the infrastructures and services to meet the needs of its people and visitors.

HEALTH

Amos is particularly renowned for the quality of its health care services. This reputation rests upon the presence of quality infrastructures and equipment at the cutting edge of technology, but most importantly on the competent and diligent men and women who work here to serve the Abitibi-Témiscamingue Region and Northern Québec - including Eeyou Istchee and Nunavik - with its specialised trauma center.

EDUCATION

In Amos, you may receive education from kindergarten through to university. Elementary and secondary schools, a vocational training center (Centre Formation Harricana) specialised - among others - in forestry, nursing, machining or secretary, a technical training center for business/organisational needs (Service aux Entreprises Harricana), a junior college (Cégep de l'Abitibi-Témiscamingue) and a university (UQAT) are all present on the territory and offer teaching that is geared toward the needs of a varied clientele.

ARTS & CULTURE

On the cultural side, Amos is at the forefront with its exceptional multifunctional Théâtre des Eskers capable of hosting live productions, shows, lectures and special events all year long. This theatre was awarded the highest distinctions of the Quebec artistic community for its warm welcome and benefited from renovation works in 2015 at a cost of more than \$4,000,000.

SPORTS

Amos is an authentic life-sized playground where one may practice sports and recreation activities all year long. The municipality continues to invest in its sports infrastructures and will spend over the next 12 months nearly \$12,000,000 in its sports complex in a way it can accommodate the needs of organisers of hockey tournaments and other activities. This new ice hockey rink will have an NHL surface size, 800 seats and will be opened in April 2017.

FROM THE MAYOR'S DESK, MR. SÉBASTIEN D'ASTOUS

We are pleased to welcome you to Amos, which just passed a milestone in 2014, celebrating a century of recognized high quality of life, dynamism and warm-hearted hospitality.

For the city of Amos, multiculturalism has proven to be of great importance since it is fully integrated to its cultural policy. As a matter of fact, this policy also highlights the Aboriginal culture with respect with the Algonquian community of Pikogan that is located close to Amos. We also feel consequent to practice a significant open-mindedness for future exchanges and trades with Native communities.

Among other things, we will aim to encourage cultural identity assertion from ethnic groups and the strengthening of the cultural dialogue; to promote Native artists' creativity as well as their production; and finally, to generate exchanges on our respective cultures with our neighbours.

My personal involvement led me to serve on the board of the Secretariat to the Cree Nation—Abitibi-Témiscamingue Economic Alliance and I strongly believe that we can always improve the relationships between our communities for the better.

With the summer season upon us, you're invited to come and stay here in the heart of Amos-Harricana. It will allow you to visit the best places where you can spend your time, discover the beauty of this region and treasures waiting to be found.

Even though an image is worth a thousand words, no one can argue that, in reality, your stay in this part of the country will be highly enjoyable with its nature, its landscapes, its pure water or whatever the people of Amos have to offer.

Let Amos be the place to be with your family and friends, let it tell its history and show you its unique attractions that will fill you with wonder.

Enjoy your stay in Amos-Harricana!

Sébastien D'Astous, Mayor

Coopérer pour créer l'avenir

ASSEMBLÉE NATIONALE
QUÉBEC

François Gendron

Député d'Abitibi-Ouest

Vice-président de l'Assemblée nationale

Chères participantes,
Chers participants,

C'est avec plaisir que je vous souhaite la bienvenue à Amos pour cet important colloque *Regardons ensemble vers l'avenir*. D'entrée de jeu, je tiens à féliciter le Secrétariat aux alliances économiques Nation Crie de l'Abitibi-Témiscamingue, le Grand conseil des Cris de même que la Ville d'Amos pour la tenue de cet événement d'envergure et porteur pour la communauté de la nation crie, de l'Abitibi-Témiscamingue, de la Jamésie et du Nunavik.

J'ai toujours été persuadé que les peuples étaient capables de grandes choses en travaillant ensemble. C'est pourquoi le thème choisi cette année est des plus à propos alors que par le passé le Secrétariat a démontré que de développer des rapports harmonieux entre les différentes communautés était garant d'un avenir meilleur.

Je vous souhaite un excellent colloque avec de fructueux échanges et je transmets mes salutations les plus cordiales à chacune et chacun de vous.

François Gendron

C'est avec plaisir que je me joins aux entrepreneurs d'ici qui soutiennent les relations économiques, sociales et culturelles entre les habitants du Nord-du-Québec et de notre région.

Bonne conférence à toutes et à tous!

It is with great pleasure that i am joining the local contractors who support the relationship between Abitibi-Témiscamingue and Nord-du-Québec, whether it is economic, social or cultural.

Have a great conference!

WELCOME TO AMOS!

*Even if a picture is worth a thousand words,
no doubt visiting this part of the country
will be like living a dream.*
